THE BUREAU OF LAND MANAGEMENT, U.S. DEPARTMENT OF THE INTERIOR, is pleased to announce the following information regarding the National Year of the Environment.

The National Year of the Environment is a time when the American people are encouraged to become more aware of the natural resources of the United States and to take action to protect them. The Bureau of Land Management is committed to this effort and is pleased to participate in the National Year of the Environment.

The Bureau of Land Management is currently conducting a series of public hearings on the proposed National System of Public Lands. These hearings are being held in various locations throughout the country.

For more information regarding the National Year of the Environment, please contact the Bureau of Land Management.
